be avoided by careful planning, supervision and protection.

Then the Holy Christ Self of each individual spoke, giving the full potentialities of the intent to be accomplished through the lifestream, and, to use an Earth phrase: 'there were no holds barred'. This was important, because the Holy Christ Self showed what the lifestream could have done; the soul showed what the lifestream had done; the Sponsors learned what They had to make up, even if They had to use Their chelas to do it; and the Karmic Board, judging by the successes and failures, were better able to determine the Wisdom of making the Grant to those whom Sanat Kumara had chosen to be Ambassadors of the Brotherhood for the coming six-month period. However, I am happy to say that they all passed, and were dubbed by the Messenger as 'SUNS OF THE NEW DAY'.

With the closing of the Teton meetings, the attention of the Great White Brotherhood is now turned toward the gracious Host of the Transylvanian Retreat - He Who is known and loved by the Great White Brotherhood as the Ascended Master SAINT GERMAIN.

After the dedication of the second group of individuals who were chosen by Sanat Kumara and granted the dispensation whereby their Holy Christ Selves might endeavor to fulfill the God Plan through them in this next six-month period, the Great Central Sun Messenger and the Lords of Karma listened to the petitions and proposals of the various foci of Light, Retreats of the planet Earth, and individual beings and Powers of Light belonging to our System including representatives of the Forces of the Elements who had taken advantage of the opportunity to present any plausible plan to help the evolution of the race.

This is a world of CAUSE and its ultimate EFFECT. It acts under the Natural Law of the Circle - called the Cosmic Law. If it were not for the initiative, interest and personal sacrifices of Intelligent Beings Who have made mankind's welfare Their business, the Karmic Law would act with FULL FORCE, and there would be no possibility of transcending its effects or softening its lash. The dispensing of the karma to individuals, nations, and the planet itself is under the direction of the Lords of Karma. They

are embodied Justice, but also Mercy and Love. It is part of the heritage of every lifestream, ascended and unascended, to use the authority o his own life, and call for the transmutation of evil, mitigation of karmic retribution, and the creation of new causative centers which will yield GOOD to the whole human race.

The scales upon which such requests are meas ured must be evenly balanced. On one side, the potential good which such a proposed measure effect in the evolution of the soul, the race, or the planet, is weighed; and on the other side exactly how much energy the Sponsor can offer the Karmic Board as evidence of the volun support of His Cause by both ascended and un ascended beings.

The exact procedure followed by an individual a Master, or a group of dedicated beings who — to apply to the Lords of Karma for dispensatio of Mercy is somewhat as follows:

The Master or Bold Member of the race receive a Divine Inspiration in the quietude of his God contemplation. He recalls it again and ex amines its possible worth as a means of fulfill- ing the Divine Plan and widening the borders of the Father's Kingdom. He then develops and ma tures this idea in His mind, and nourishes i with the Love and Strength of His own feeling nature. If He is a Member of a Retreat, He will, no doubt, present this proposal to His Brothers, and it will be incorporated in the group peti- tion of the Retreat at the Great Council. If He is working independently, He may prepare this petition, and upon entering the Teton Halls, give His Scroll to the Being Who is in charge

of placing them upon the great Bulletin Board which is situated outside the Audience Chambers. This enables many lifestreams to acquaint them- selves with the proposals that are to be pre- sented, and if they find merit and interest in any particular petition, they are allowed to place their names on the Scroll, thus signifying to the Master sponsoring the petition that the lifestream so signing is willing to support the measure at such time as the Karmic Board will hear the petition and ask for the presentation of individuals who will back such proposals, re- lease the energies required to fulfill them, and cooperate according to the best of the individ- ual's powers and capacities in forwarding such a Cause for world good.

The Retreat or individual Being sponsoring such a Cause is then assigned a private meeting room, and here They are free to entertain the members of the race and the Brotherhood as have signified an interest in Their proposed Plan. Thus the Representatives from the Retreats of the world, as well as the individual Masters, spent the first fifteen days of Their stay at the Rocky Mountain Retreat in gathering con- stituents for Their Cause, knowing full well that when They have the opportunity to present Their Plan before the Assembly, the number, nature, and capacities of those who stand as voluntary supporters of such a Cause will determine the final extant of the Grant given Them, and the Freedom with which They may exercise Their powers in drawing on the Universal Cosmic Storehouse of Energy to make that Cause appear on the Screen of Form as an Effect worthy and lasting in merit.

When the Karmic Council sits, each Retreat and individual is called forward in successive order according to rank and purpose, and given the opportunity to present the proposed petition before the entire Assembly and the members of the human race who have been magnetically drawn into the atmosphere. After hearing the proposal, one of the Members of the Karmic Board always asks the Sponsors to call forward as many life-streams, ascended or unascended, as have offered to dedicate a portion of their individual energies to such a Cause. Besides the individuals which the Sponsor has secured through His concentrated preliminary meetings, at the public presentation, usually a goodly number of those present, who have either arrived too late or who have not been interested enough to read the petitions of the Brothers beforehand, will rise and join the ranks of one movement or another. Then the Karmic Board deliberates on the potential good which will be effected by such an investment of Cosmic energies in the particular Cause before Them. Their measure is the amount of Good that can be effected with regard to development of the individual God-Flame and the evolution of the planet, and not so much with the temporary comforts or pleasures of the people.

After this deliberation, the actual energies of the combined volunteers are measured, their intrinsic worth and capacities to fulfill their vows taken into consideration, and from the Storehouse of Cosmic Energies, there is given into the keeping of the Sponsor an exact balance for that volunteered energy, which becomes His Dispensation of Grace, and which will form the causative center of Spiritual Fire which is the heart-center and motivation of His Cause. He is

at liberty, during the entire year, to draw forth, by His own application, as much additional energy as possible to nourish His Cause, and to utilize freely whatever voluntary energies He can coax from those interested in His Design.

After the Cosmic Grant is given to the Sponsor, He must endeavor to launch His Movement on the flood tide of spiritual energies dedicated to His Cause by the Cosmic Board. Thus, after the July and January meetings, while the Spiritual Tide is full, there is, at inner levels, always a tremendous impetus in the World Causes which will benefit the race as a whole.

If the Retreat, the Master, or the individual does not secure much support from the voluntary energies of the race, His Grant from the Cosmic Board is small, and He must await the opportunity at the next meeting to increase the interest of the people; or if the Board feels the service can be superceded by another of greater merit, He cheerfully and willingly gives up this proposed idea and either enters into the activities of some other Member of the Brotherhood, or, in time, evolves another idea which will, perhaps, be more pleasing and beneficial to the evolution of the race at the present time.

When the final Grants have been made and the Retreats, Masters, Forces of the Elements, and human beings have been given the sanction of the Cosmic Court to proceed, each returns immediately to the center of his own Sphere of Influence, and sets into motion the most intense activity whereby the Cause He serves may quickly find fruition in the world of form. This is very important, for He is called upon to report on what He has

done with the Grant of Energy given Him by the Cosmic Council at the next half-yearly meeting, and if He has not availed Himself of it, His future Grant will be limited thereby. Then the Master is at liberty to follow the Brotherhood to the Retreat which is to be the Host to the Elect for the next thirty days.

The Grant of the dispensations to the Holy Christ Selves of the two hundred thousand life-streams, of course, took precedence over all other Grants, because so much depends upon the outcome of this great Cosmic experiment. The entire activity, however, was very joyous, and no one who came with a petition was denied at least a partial Grant and the Blessings of the Karmic Judges of the Day.

The four major activities under consideration concern planetary changes, international politics, the spiritual awakening of the race as a pre-requisite to freeing Sanat Kumara in order that He may return to Venus, and the possibilities within Jesus' and Mary's petition to secure the training of the Body Elementals. This was amplified to include a specific training for the mental, emotional and etheric bodies of the race as well. Jesus, Mary, Kuthumi and I were given complete authority to provide the schools for these instruments through which the individual spiritual self must work, and We shall start on the two hundred thousand chosen by Sanat Kumara as the most potential workers for the vineyard. The support of this petition by the entire Assembly - human, elemental, and Divine, was unanimous.

My petition for My Beloved Saint Germain to

give Him more assistance in His endeavors to further the Cause of Freedom drew forth a Sponsorship and support of the entire Brotherhood, and over half of the human race as well. The Devas of the Nature and Elemental Kingdoms asked for release from the domination and vicious impurities imposed upon them by mankind. This Grant would mean great cataclysmic changes, and only a partial dispensation was given, for which We, who work with mankind's good in our hearts and minds continously, were grateful.

The political situation, national and international, is not, outwardly, too pleasant, and the amount of voluntary energies that can be drawn forth by the peoples of the various countries will be a great factor in the experiences through which mankind will pass in this next six-month period along this line. The attention of the Host of Heaven, the chelas of Earth, etc., will deal primarily with this situation while in Transylvania from now through August 14th.

The God Meru has a tremendous natural momentum of power in working with the forces of the Elemental Kingdom, and We are hoping that the anchorage of the power of the Brotherhood in and around Titicaca early in August will assist Us through this particularly portentous period. The Ray through the Gobi Desert has given the apex of its power, and the Ray of Titicaca is yet to increase and become the predominant Permanent Ray which forms the center of the New Race which will find its fullest expression in South America in the future. These two Rays are a balancing power to the Earth, and the more intensely the attention of mankind is focused upon them, the greater the possibility of avoiding, or at least,

minimizing cataclysmic activity at this time. As you perhaps know, the Andes Mountains in South America have been shaking for the past two months, and the reason for this is that certain balanced powers from the Sun are being fed through this Ray into the very center of the Earth for this coming period.

I return to Ceylon with My own Grant, and shall set up those currents required to further the Cause of the Holy Comforter in the world of mankind. Then I shall proceed into the Inner Realms and set into motion the necessary purifying energies to handle the accumulations of the Body Elementals who choose to avail themselves of My offer. Then I am off to the Central Sun for a meeting with the Great Holy Spirit of the entire Galaxy, Whose Radiation I dispense with regard to the planet Earth alone. I shall not be in attendance in Transylvania until next Saturday, but have asked Lord Maitreya to take My place in case My good Sons and chelas wish to confer with someone on any particular problems, or require authority to proceed on specific activities connected with Their individual Causes. I am hoping, through this meeting with the Holy Spirit of the Central Sun, to receive certain additional powers that will help My Blessed Saint Germain and His Messengers, and also Polaris and Magnus through this time of Earthly travail.

Blessings and Love,

MAHA CHOHAN

I would again like to remind the reader that the establishment and maintenance of specific God Powers which form the Radiating Centers for the spiritual impetus of the race are drawn, focused and maintained by the self-conscious free will of the individual intelligences who voluntarily engage in such activities.

It has been said by the Illuminati of every age that the Godhead, to express in Its fullness in the world of form, needs a body, and that the God Intelligence must find expression and fulfillment through dedicated lifestreams who form a part of the race who are the beneficiaries of this more than ordinary assistance.

The establishment of the ancient sanctuaries, retreats and foci of Light upon the planet Earth, as well as upon other planets of our System, comes directly under the supervision of the God-parents of our Universe, and from the Fire Temples around the Sun itself are taken the Spiritual Nuclei for the Flames that are to be established within these Spiritual Foci, and, radiating therefrom, hold the balance for the constructive forces through the lower atmosphere in which mankind has chosen to function.

When an individual being belonging to the race chooses to ensoul one of the active principles of the Fire Element, and has, through conscious application and centuries of discipline and dedication of his individual energies, prepared
